We Have Come Into His House

In the 1970's, the world experienced a revival. From the underground churches in China to the "Jesus Movement" of North America, God's Spirit moved and people responded. This movement pushed against the traditional ideas of church and how to worship. This movement gave us the praise hymns that I learned as a child and now use in worship times during retreats.

In 1976 an Assembly of God Minister of Music Bruce Ballinger wrote: "We Have Come Into His House" for use in worship at the Kennedy Road Tabernacle in Toronto Ontario, Canada. Are you making the effort to be present during worship? Are you preparing your heart to be fully present and actively involved in the worship of our Lord? Would you join us as we worship Christ the Lord?

Blessings From Your Pastor,
Bro. Mike Evans
